

## Fixin'

## Walk the Moon

I saw a glimpse, a shimmer a shadow  
Or something I had once  
But since lost and now I  
I've got a feeling that I'm not complete anymore

Don't even tell me where we are going  
Hands over my eyes, hands over my eyes  
Don't even tell me where we are going  
Just walk, just walk by my side

It starts with a glimpse, a shimmer a shadow  
Or something I had once  
But since lost and now I  
I've got a feeling that I'm not complete anymore

The salt in my eyes  
As I clear the border  
Imaginary lines  
Shatter & shimmer  
I get to you to ask you a question  
I get to you to find out for certain  
Are you fixin'...

Don't even tell me where we are going  
Hands over my eyes, hands over my eyes  
Don't even tell me where we are going  
Just walk, just walk by my side

Are you fixin'  
to come with me?  
Are you fixin'  
to fix me?

Don't even tell me where we are going  
Hands over my eyes, hands over my eyes  
Don't even tell me where we are going  
Just walk, just walk by my side
