

## I Can Lift A Car

## Walk the Moon

When I come home  
When I come home  
Oh I hear you washing in the shower

Mirages of you  
Mirages of you  
Even steam pouring through the crack at the floor

I won't lose it, I won't lose it, I won't lose it  
I won't lose it, I won't lose it

Hold it steady, hold it steady, hold it steady,  
Hold it steady, hold it steady

Over top one another:  
All by myself  
I can lift a car  
All by myself  
I can lift a car

I can lift a car up all by myself

Over top one another:  
All by myself  
Up all by myself  
All by myself  
Up all by myself

I can lift a car up all by myself

So very nice  
So very nice  
My grandpa's leather jacket and goggles

So you kissed me  
On the futon  
Oh I hope you like it in Chicago

Hold it steady, hold it steady, hold it steady,  
Hold it steady, hold it steady

I won't lose it, I won't lose it, I won't lose it  
I won't lose it, I won't lose it

Over top one another:  
All by myself  
I can lift a car up  
All by myself  
I can lift a car up

I can lift a car up all by myself

Over top one another:  
All by myself  
Up all by myself  
All by myself  
Up all by myself

I can lift a car up all by myself

Did you did you  
Did you know that  
I can lift a car up all by myself

Well no misunderstanding  
I'm not saying that you came  
but you did

I can lift a car up all by myself

I've been going out  
And trying to stay fit  
Well I met someone who wears your glasses

She kissed me on  
My new futon  
Oh I'm clumsy cause she finds me attractive

I won't lose it, I won't lose it, I won't lose it  
I won't lose it, I won't lose it

Over top one another:  
All by myself  
I can lift a car  
All by myself  
I can lift a car  
I can lift a car up all by myself

Over top one another:  
All by myself  
Up all by myself  
All by myself  
Up all by myself  
I can lift a car up all by myself

Did you did you  
Did you know that  
I can lift a car up all by myself

Well no misunderstanding  
I'm not saying that you came  
but you did  
I can lift a car up all by myself
