

# In My Mind

## Walk the Moon

Ahhh, ah  
Ahhh, ah

So I take this knife  
And cut you out of my life  
And I erase this night  
And rewrite you out of my mind  
Oh  
The phone is off the hook  
The keys are down the drain  
Just an empty book with nothing on the page  
I no longer have the voice to say goodbye, goodbye, goodbye  
Oh

In my mind, you won't be  
In my mind, you won't be  
In my mind  
Oh  
In my mind, you won't be  
In my mind, you won't be  
In my mind

Ahhh, ah  
Ahhh, ah

Scenes on repeat, can't see the road in front of me  
So I crash my car on the way to the temple of your heart  
Woah, covers off the bed  
The keys are down the drain  
Just an empty hand, with nothing left to say  
I no longer have the strength to keep it alive, alive, alive  
Oh

In my mind, you won't be  
In my mind, you won't be  
In my mind, oooh  
In my mind, you won't be  
In my mind, you won't be  
In my mind, oooh  
In my mind, you won't be  
In my mind, you won't be  
In my mind, oooh

So maybe, if I find another baby  
Maybe if I get a house on the west coast with somebody else  
Maybe if I settle down, maybe if I settle down maybe then  
Oooh  
In my mind  
You won't be  
In my mind, oooh  
In my mind, you won't be  
In my mind

In my mind, you won't be  
In my mind, you won't be  
In my mind, oooh  
In my mind, you won't be

In my mind, you won't be  
In my mind  
I can't help myself, oooh
