

## Shiver Shiver

## Walk the Moon

You grip your hands around my throat  
You strip the buttons off my coat  
I choose the methods I do best  
Thump, thump, the thumping in your chest

When you are close to me I shiver [x4]

You leave these marks up on my neck  
And its still there... I know but I still check  
Thump, thump, the thumping in my chest  
As I lose the feeling in my fingertips

When you are close to me I shiver [x4]

Owly, you're dear to me  
Please check your clothing at the door  
And who you're supposed to be  
You always leave me wanting more  
Owly, you're dear to me  
Shall we get intimate again?  
Owly, you're dear to me  
Shall we get intimate again?

Shall we get intimate again?  
I think so, I think so  
Shall we get intimate again?  
Owly, you're dear to me

When you are close to me I shiver  
When you are close to me I shiver, shiver
