

## Tete-A-Tete

## Walk the Moon

Love is so irrational  
The more we fight the less I know

Well, I want you just as bad  
Just as bad as I always have  
I want you just as bad  
Why can't you see  
Why can't you see  
This is why we're always  
Tete-a-Tete

It hurts my head when you get mad  
I wave my cape and play the match

Well, I want you just as bad  
Just as bad as I always have  
I want you just as bad  
Why can't you see  
Why can't you see  
This is why we're always  
Tete-a-Tete

I'm ready  
Tete-a-Tete  
Here we go

(Baadddddddddd)

I want you just as bad  
Just as bad as I always have  
I want you just as bad  
Why can't you see  
Why can't you, can't you see  
Why can't you!
