

The Provider

Walking with Strangers

This one is for us
When you've emptied your bottle
With your face down to the ground
And the fucking thought of her
The girl that looked so good
By the bar, the best in your hood
Drunk as fuck, we enter the club
Bartender, what's up? Give us more of that stuff
That makes our heads go FUCK YEAH! (FUCK YEAH)
Fuck that bitch tonight will be the night you just don't give a
fuck
So there is only one thing left to do
Drink your bottle of jaeger
Drink it all, your bottle of jaeger
I know you want her and you want her bad
So open up your wallet and make her glad
Oh shit
What a bitch she is.
