

Red Light

Wall of Voodoo

If it's the rough stuff ya want
You can point yer finger at me
'Cause I can dish it out good
But I don't give it away for free
There's a price for my vice
And I want it in cash
In a plain brown bag
You can put it out by the trash

Chorus:

There'll be a red light by the window
And a blue light by the car
He'll be running
But he won't get far
There'll be a red light by the window
And a blue light by the car
He'll be running
But he won't get far

This modern world deserves a
Modern attitude

You've gotta stick it to them
Before they stick it to you
I want the money
And I want it in cash

In a plain brown bag
You can put it out, put it out, put it out by the trash

Chorus repeat

Red light

Blue light

Red light

Blue light

This modern world deserves a modern attitude
