

## Red Light

## Wall of Voodoo

If it's the rough stuff ya want  
You can point yer finger at me  
'Cause I can dish it out good  
But I don't give it away for free  
There's a price for my vice  
And I want it in cash  
In a plain brown bag  
You can put it out by the trash

Chorus:

There'll be a red light by the window  
And a blue light by the car  
He'll be running  
But he won't get far  
There'll be a red light by the window  
And a blue light by the car  
He'll be running  
But he won't get far

This modern world deserves a  
Modern attitude

You've gotta stick it to them  
Before they stick it to you  
I want the money  
And I want it in cash  
In a plain brown bag

You can put it out, put it out, put it out by the trash

Chorus repeat

Red light

Blue light

Red light

Blue light

This modern world deserves a modern attitude
