

The tears come strong again.
I wasn't ready for your time to end.
I swear I'd tear this world apart to save you.
I think about that day.
I'd do anything to forget the pain.
When the skies burn and the flowers died.
The flowers died in me.

I can't do this without you.
If I could hold you one more time I'd never let you go.
I can't do this without you.
If I could tell you one more time, that I love you.

I close my eyes.
I see your face.

Ii hold you in my heart.
Angel, your my guardian.
I sing this song so you'll live on forever.
Like a storm that rages on.
Like a knight i would not back down.
The day you left will always burn, burn inside my soul.

I can't do this without you.
If I could hold you one more time I'd never let you go.
I can't do this without you.
If I could tell you one more time, that I love you.

I close my eyes.
I see your face.
