

## The New Ministry

### Walls of Jericho

Tonight, tonight, tonight  
Go!

Tonight is ours  
Give me your passion  
Tonight is ours  
Give me your heart  
Tonight is ours  
Now and forever  
Tonight is ours  
We bleed tonight

Live out your dream,  
With everything you have inside you  
This world can't hold us back forever!

We bleed tonight is ours  
Give me your passion  
Tonight is ours  
Give me your heart  
Tonight is ours  
Now and forever  
Tonight is ours
