There's No I in Fuck You

Walls of Jericho

Here i am a poster board pinup for you to hate, someone who once cared now nothing is holding me back. I am no more an image of what you thought I should be, the choice you've made and forced upon me.

So go on and hate me if you must, but honestly i don't give a fuck. with my friends by my side I can get through anything, with you on my side we can destroy everything.

For those who continue to comare to this false idea, what do you expect from me, sing a lullaby scream you to sleep, i'm fucking sick of it being your way.

You don't love me, you love the person you think I am a poster board pinup for you to love. You don't hate me, you love the person you think I am a poster board pinup for you to hate.

What you may see on the outside might not hold true to your heart, so here I am the real deal take it or not, like I've said before I don't give a fuck.

You don't hate me, you love the person you think I am - a poster board pinup for you to hate.
