

In My Dreams

Walter Meego

In my dreams
I can fly
I can swim
in the sky
And move like I'm dancing
on the air
to the music
everywhere
Because you love me
Yes, you love me

In my dreams
there's a place
I know somewhere
far away
I can feel it
when you're with me
I can taste it
when you kiss me
Because you love me
Yes, you love me

In my dreams (4x)

Because you love me
Yes, you love me

In my dreams (12x)
