

## Lost

Walter Meego

I'm lost somewhere  
back there  
can't find my way  
old faces  
old places  
the old days  
feelings freezing  
emotions frozen  
I'm lost somewhere  
back there  
can't find my way

The person you're looking at  
is a friend from the past  
Memories of what I used to be  
I'm lost somewhere  
back there  
can't find my way
