

# Blues Stay Away From Me

Wanda Jackson

Blues stay away from me blues why don't you let me be  
Don't know why you keep on haunting me  
Love was never meant for me true love was never meant for me  
Seems somehow we never can agree

Life is full of misery dreams are like a memory bringing back y  
our love that used to be  
Tears so many I can't see years don't mean a thing to me  
Time goes by and still I can't be free
