

Hold Me Tight

Wanda Jackson

I don't want to hear it no more fussin' and a fightin' baby hold me tight
Just let bygones be bygones let's think about tomorrow our future's bright
I know I was wrong I was just a fool too blind to see you were the only one for me
But now I see the light and everything's gonna be alright baby hold me tight
I know I was wrong I was just a fool too blind to see...
