I'd Do It All Over Again

Wanda Jackson

You turned down the love that I tried to give you tore out my h eart and my will to live I won't deny I still feel the same if I had it all to do over I 'd do it all over again I'm a fool to feel you the way I do cause only a fool would kee p on loving you So I'll take the hurt and I'll take the pain If I had it all to do over I'd do it all over again I can't erase these memories of you I can't forget the sweet ki ss that I knew Oh where is my pride where is my shame If I had it all to do over I'd do it all over again If I had it all to do over I'd do it all over again If I had it all to do over I'd do it all over again
