

# I've Gotta Sing

Wanda Jackson

The sun's shining beautiful and everything is going my way  
I've got a love that's wonderful he's always there with loving  
words to say  
Well I hold him close and let him know that to me he is my ever  
ything  
Without a word the world is mine just one look from him and I'm  
a queen  
A girl's gotta sing when she's got everything so now I'm singin  
' my song  
Now I've gotta sing cause he's my everything  
Don't you know I'm happy won't you sing along  
I'm singing la la la la la la la...  
I'm singing la la la la la la la...

I can thank my lucky stars for the never ending love he gives t  
o me  
When I'm by his side flame of love burns bright for all the wor  
ld to see  
When he calls my name out low I can hear the bells begin to rin  
g  
And happiness is all around that's the reason why I've gotta si  
ng  
A girl's gotta sing...
