## In The Middle Of A Heartache

Wanda Jackson

I'm in the middle of a heartache half out half in Not quite out of love with you not too much in love with him I'm in the middle of a heartache half way half blue Can't give all my love to him when I'm still in love with you Just when I think that I've forgotten you the mem'ry of your lo ve grows dim That old pain starts again of wanting you more than I ever want ed him I'm in the middle of a haertache heart old heart new Can't give all my love to him when I'm still in love with you Just when I think...
