Lonely Weekends

Wanda Jackson

Well I make it alright from Monday morning till Friday night oh those lonely weekends Since you left me I'm as lonely as I can be oh those lonely wee kends Said you'd be good to me I said our love ain't gonna never ever die I said you'd be true to me but baby you didn't even try I make it alright From Monday morning till Friday night oh those lonely weekends I make it alright... Oh those lonely weekends oh those lonely weekends look out thos e lonely weekends
