

Singing The Blues

Wanda Jackson

I never felt more like singing the blues cause I never thought
that I'd ever lose
Your love dear why'd you do me this way
I never felt more like crying all night cause everything's wrong
and nothing ain't right
Without you you got me singing the blues

The moon and stars no longer shine the dream is gone I thought
was mine
There's nothing left for me to do but cry over you
I never felt more like running away but why should I go cause I
couldn't stay
Without you you got me singing the blues

I never felt more like singing the blues...
