

# Murder

Wanessa

Somebody call the heat  
There's been a robbery  
You stole my soul, my fire  
Took the best of me  
Ring the alarm, somebody call security  
His tic toc, click clack  
Is pointing at me  
Tonight I saw the evil in your eyes  
It's undeniable  
You crossed the line  
But I never believed you would open fire  
Love assassin with the Smith and Weston

Click clack  
Bang bang  
You shot me to the ground  
I took a bullet to the heart  
You kicked me down  
Click clack  
Bang bang  
And now you're on the run  
I never thought that love could kill me like a gun  
Oooh, time is running out  
Oooh, my heart is bleeding now  
Click clack  
Bang bang  
Oh, you shoot me down  
It's murder  
It's murder  
It's bloody murder

I'm going out my head thinking how could this be  
Whatever happened, boy I gave you everything  
You must have confused me with the enemy  
But it's no friendly fire when  
You go and murder me  
Tonight  
I saw something different in your eyes  
It's undeniable  
You crossed the line  
But I never believed you opened the fire  
Love assassin with the Smith and Weston

Click clack  
Bang bang  
You shot me to the ground  
I took a bullet to the heart  
You kicked me down  
Click clack  
Bang bang  
And now you're on the run  
I never thought that love could kill me like a gun  
Oooh, time is running out  
Oooh, my heart is bleeding now  
Click clack  
Bang bang  
Oh, you shoot me down

It's murder  
It's murder  
It's bloody murder  
This is laced in razor blades tonight  
I don't wanna die, I don't wanna die  
Stupid cupid's wicked game delight  
I don't wanna die, I don't wanna die  
A diamond studded bullet right through my heart  
Golden teardrops in the dark  
Pull it right through my heart  
You pulled the trigger in the name of love tonight  
I don't wanna die, I don't wanna die

Click clack  
Bang bang  
You shot me to the ground  
I took a bullet to the heart  
You kicked me down  
Click clack  
Bang bang  
And now you're on the run  
I never thought that love could kill me like a gun  
Oooh, time is running out  
Oooh, my heart is bleeding now  
Click clack  
Bang bang  
Oh, you shoot me down  
It's murder  
It's murder  
It's bloody murder
