

# Wait

Wang Chung

Street corners seem designed to lie in wait  
For a chance to get involved in lovers' fate  
This one seems as good as any I've seen  
So wait here with me until six-fifteen

I'm waiting for you but you're very late  
I know you'll come anyway  
And I can hardly wait

Evidently, there's a difficulty  
I know you'll come anyway  
And I can hardly wait  
I can hardly wait, wait

I see you approaching, you're the eyes of the crowd  
The traffic and people, God, they're all so loud  
But in a couple of moments they will all disappear  
Because we're ever so close when we're ever so near

I'm waiting for you but you're very late  
I know you'll come anyway  
And I can hardly wait

Evidently, there's a difficulty  
I know you'll come anyway  
And I can hardly wait  
I can hardly wait, wait

Punctuality was never much to me  
Being yourself is the main thing  
Forget about the time, forget about the time  
Being yourself is the main thing

The main thing, the main thing  
The main thing, love  
Forget about the time, forget about the time

I'm waiting for you but you're very late  
I know you'll come anyway  
And I can hardly wait

Evidently, there's a difficulty  
I know you'll come anyway  
And I can hardly wait  
I can hardly wait

I can hardly wait  
I can hardly wait  
I can hardly wait  
I can hardly wait

I can hardly wait  
(I can hardly wait)  
I can hardly wait  
(I can hardly wait)

I can hardly wait

(I can hardly wait)  
I can hardly wait  
(I can hardly wait)
