Me And Baby Brother

Me and baby brother Used to run together Me and baby brother Used to run together

Welcome one another Headed for the corner Welcome one another Headed for the corner

Shiftin on his mind Is like drinking funky wine By the river Chippin on his mind Is like drinking funky wine By the river

Me and baby brother Used to run together Me and baby brother Used to run together

Welcome one another Headed for the corner Welcome one another Headed for the corner

I remember the day We used to fight together I remember the day, yeah We used to fight together

Me and baby brother Used to run together Me and baby brother Used to run together

Hang on, baby brother, oh They call it law and order Hey, hey, hey

Come back, baby brother Come back, baby brother Come back, baby brother Come back, baby brother Your my baby brother Your my baby brother Come back, baby brother Come back, baby brother Your my baby brother Your my baby brother Come back, baby brother Come back, baby brother Come back, baby brother
