

Satan

War

I worship you
I obey you
I kill for you
I die for you

Father
Satan
Take my soul
Father
Satan
Take my soul

Satan, Satan

The christians dogs are gathered
They will all die tonight
We'll punish them for Satan
They will all fucking die

I worship you
I obey you
I kill for you
I die for you

Father
Satan
Take my soul
Father
Satan
Take my soul

Satan, Satan
Satan, Satan
