

## Why Can't We Be Friends

War

Why can't we be friends  
Why can't we be friends  
Why can't we be friends  
Why can't we be friends

I seen ya around for a long long time  
I really remember you when you drank my wine

I'd seen ya walking down in Chinatown  
I called ya but you could not look around

I pay my money to the welfare line  
I see ya standing in it every time

The color of your skin don't matter to me  
As long as we can live in harmony

I'd kinda' like to be the president  
So I could show you how your money's spent

Sometimes I don't speak right  
But yet I know what I'm talking about

I know you're working for the CIA  
They wouldn't have you in the mafia
