All we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need
There's beauty in the heart of a beast
fear behind the eyes of a thief
I know, you know we're all incomplete
lets get together
and let's get some relief
all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need
Stronger than a mountain of steel
faster than hell on wheels
we've got we've got all the power we need
lets build a playground on this old battlefield
all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need
Now we're stronger
we no longer want you bringin us down
we've got the magic
so we're gonna spread the magic around yeah!
Now we're stronger
we no longer want you pushin us
all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need
All we are
we are all, all we need
