

# Burning the Witches

Warlock

When the day is over  
The devil is near  
The people who know it  
Are full of fear

When the devil is coming  
A virgin will die  
A soldier of the darkness  
Will take her life

The demon takes the body  
Of the bloodless gal  
Outside she's looking pretty  
Inside a beast of hell

That's what you are callin'  
A hellcat or a witch  
And only if she's burning  
The demon will die

Burning the witches  
The evil cries  
By burning the witches  
The demon dies  
By burning the witches  
The demon dies by fire

The witches are hunting  
Your soul and your blood  
And if you can't escape  
They take all that you've got

A soul of the virgin  
Can find no peace  
Till the fire is killing  
The witch - they can be free

Burning the witches  
The evil cries  
By burning the witches  
The demon dies  
By burning the witches  
The evil cries by fire!

By burning the witches  
The demon dies  
By burning the witches  
The evil cries  
By burning the witches  
The demon dies  
By burning the witches  
The evil cries  
By burning...
