Sign of Satan

Warlock

See the evil signs See some bloody crimes Now hell's just begun Satan's having fun

Every house in the street Has evil seeds The nature of the beast Is in our breast

See some children cry See young women die In your neighbourhood Streets are full of blood

Every house in the street Has evil seeds The nature of the beast Is in our breast

Watch out
No-one will listen to your
Watch out
Crying
Watch out
No-one will listen to your
Watch out
Dying

See some madman's eyes They tell you no lies A million little knives Destroy a million lives

Every house in the street Has evil seeds The nature of the beast Is in our breast

Watch out
No-one will listen to your
