

## Black Cat

Warmen

All the lonely nights I spend alone  
Never 'round to love me, you're always gone  
'cause you're hangin' out, breakin' the rules  
Oh the man has come lookin' for you

You're a rebel now, don't give a damn  
Always carrying on with the gang  
I'm tryin' to tell ya boy, it's a mistake  
You won't realize 'til it's too late

Don't understand why you insist  
On ways of living such a dangerous life  
Time after time you stay away  
And I just know that you're telling me lies

Black cat nine lives, short days long nights  
Livin' on the edge, not afraid to die  
Heart beat real strong but not for long  
Better watch your step or you're gonna die

You're so together boy  
But just at a glance  
You'll do anything  
If given the chance

Scheming, plannin' lies  
To get what you need  
So full of promises  
That you never keep

Don't you tell yourself  
That it's okay  
Sick and tired of  
All of your games  
And you want me to stay  
(aww) Better change  
Makes no sense to me  
Your crazy ways
