## **Black Cat**

Warmen

All the lonely nights I spend alone Never 'round to love me, you're always gone 'cause you're hangin' out, breakin' the rules Oh the man has come lookin' for you

You're a rebel now, don't give a damn
Always carrying on with the gang
I'm tryin' to tell ya boy, it's a mistake
You won't realize 'til it's too late

Don't understand why you insist
On ways of living such a dangerous life
Time after time you stay away
And I just know that you're telling me lies

Black cat nine lives, short days long nights Livin' on the edge, not afraid to die Heart beat real strong but not for long Better watch your step or you're gonna die

You're so together boy But just at a glance You'll do anything If given the chance

Scheming, plannin' lies To get what you need So full of promises That you never keep

Don't you tell yourself
That it's okay
Sick and tired of
All of your games
And you want me to stay
(aww) Better change
Makes no sense to me
Your crazy ways
