

Somebody's Watching Me

Warmen

I'm just an average man with an average life
I work from nine to five, hey hell I pay the price
But I want is to be left alone in my average home
But why do I always feel like I'm in the Twilight Zone

I always feel like somebody's watchin' me
And I have no privacy
I always feel like somebody's watchin' me
Is it just a dream?

When I come home at night
I lock the door real tight
People call me on the phone I'm trying to avoid
Well, can the people on TV see me or am I just paranoid

When I'm in the shower, I'm afraid to wash my hair
I might open my eyes and find someone standing there
People say I'm crazy, just a little touched
But maybe showers remind me of Psycho too much
That's why...

I don't know anymore
Are the neighbors watching me
Well is the mailman watching me
And I don't feel safe anymore, oh what a mess
I wonder who's watching me now?
Who?
The IRS?
