

Composure

Warpaint

How can I keep my composure?
How can I keep my composure?
How can I keep my composure?
I turn my back and you got my shoulder
Release your mind, through your hands and your feet
A sigh digs you out when you are getting to deep

How can I keep my composure?
How can I keep my composure?
A sordid spot, a monster takeover
Living in shame's gonna haunt my sleep
How can I keep
How can I keep
How can I keep my composure?

Darling one
I am falling
And the words are gone

You are beyond
You are beyond
You are beyond
You are beyond
You are beyond
You are beyond
You are beyond
You are beyond
You are beyond

Darling one
I am falling
And the words are gone

You are beyond
You are beyond
