

## Stars

## Warpaint

oh, wonderful one, why are you like that?  
oh, wonderful one, why are you like that?  
glow in the darkness that's how we do it  
glow in the darkness that's how we do it  
just like the stars up on your ceiling that  
put you to sleep after

oh, wonderful one, why are you like that?  
oh, wonderful one, why are you like that?  
glow in the darkness that's how we do it  
glow in the darkness that's how we do it  
just like the stars upon your ceiling that  
put you to sleep after  
just like the stars upon your ceiling that  
put you to sleep after  
put you to sleep after  
put you to sleep after

cross the line in the darkness of your room  
in your room, in your room  
there's your head, it's damaged from your talk, talk, talk  
clinging with your fear, fear, fear  
it's hanging with your tears  
here we are apart  
but not again and again  
again and again  
that doesn't make sense  
so put away your tools and

...  
...  
...

and in the end they ask you for your reply  
don't you tell them  
what you found out  
this time
