Take everything that I own
My destination's unknown
If I started to yell
Could you even tell
would it do any good
Mr. Misunderstood
I'm not asking for change
I know it sounds strange

But it feels kind of good
Feeling this bad
I'm invincible
At my all time low
And it feels good
yeah, feeling this bad

I'm at the end of my rope
I just remembered a joke
Have you heard the one
About the one I've become
