Mr. Rainmaker

Warrant

It could have rained for forty weeks dear And I'd have never known the difference When your life is one long downpour You're not sure you'll go the distance

You come along with a patch of blue sky Inside your arms I found a place that's warm and dry

Mister Rainmaker don't waste your time I found a girl who is permanent sunshine She is the little queen of all of my dreams Carry on! And find someone else to rain on

Love never rained down on me dear Only heartache and problems Now through your arms I can see clear oh, It's only been raining water You came along with a patch of blue sky Inside your arms I found a place that's warm and dry

Mister Rainmaker don't waste your time I found a girl who is permanent sunshine She is the little queen of all of my dreams Carry on! And find someone else to rain on

Mister Rainmaker don't waste your time I found a girl who is permanent sunshine She is the little queen of all of my dreams Carry on! And find someone else to rain on

Mister Rainmaker, yeah, yeah, yeah
