

## Song and Dance Man

Warrant

Last night I felt a wind of change blow through me  
It spoke of a million things before I die I should see  
Open up your eyes life is poetry in motion  
Ride the open sky

I'll be okay as soon as I'm on my way  
I am a song and dance man  
Yes, I am a song and dance man

Woman, oh woman sometimes I hear your voice  
Calls out to me makes my heart bleed  
Haven't got any choice I've opened up my eyes  
Life is poetry in motion, ride the open sky

I'll be okay as soon as I'm on my way  
I am a song and dance man  
Oh Lord, I am a song and dance man, yeah

Tokyo has rolling thunder  
Beautiful women and warm summer rain  
Honolulu has starts of fire  
Words alone cannot explain  
Open up your eyes  
Spread your wings and fly

Oh Lord, I am a song and dance man  
Oh Lord, I am a song and dance man  
That's what I am a song and dance man  
Life is paired between my and her song
