

## Stronger Now

Warrant

I held you for a moment in my hands  
The moment with you slipped away like sand  
Through my fingers now  
In front of me a choice I have to make  
To carry on or simply fade away  
I lose you either way  
I'd like to say that it was easy, it was hard  
To say goodbye, I thought that I would die

Letting go of you, was so hard to  
And I thought that it would kill me but I made  
It through somehow, and I'm so much stronger now  
I gave to you my love and my respect  
But I could never make you love me back  
I denied it so I grew bitter watching you grow cold  
My life became your prison, took it's toll  
I decided  
Like a bird that's trapped  
Inside a gilded cage  
It's hard to set it free,  
Hurts to watch it  
Fly away
