## **Relax Ya Mind**

Its that nigga Gz WheeZ back for the 9-c I ex sippin on the yak so people wanna know whats next ain't nuthin changed, another day a new time with this uptempo beat with the G-Funk rhyme regulatin state to state, coast to coast its all about the call of greens, yak, lets toast cuz its a ballin society I try to be the dopest I can be in this industry but you dont hear me I think ya betta, I think ya betta cuz when I, get it goin on I ain't gonna let up I set up, the g-funk family and we funkin up the industry until eternity its alright with you if its alright with me, we'll get down to the sounds of the LBC

R: Relax your mind, your mind, your mind Relax your mind and let your conscious be freein you down to the sounds of the Warren G (2x)

It ain't easy bein Gz but the lifestyle I chose, the status to which I rose the doors, I open, I'm loccin, I'm scopin through the eyes of the G Child I see many try to duplicate the LBC style but it ain't even happenin like that I was time I had to make a comeback and get mine, you know I'm genuine been in motion with the potion with Snoop since 89 devotion is the key for me so, relax your mind and let your conscious be free the homey just touched down, foolin wit a pound put yo gun down, so you can walk a safe ground
