Jungle Work

Warren Zevon

Lear jet S.W.A.T team On a midnight run With the M16 And the Ingram gun We parachute in We parachute out "Death from above" We're screaming now

Where the pay is good And the risk is high It's understood We'll do or die Sten gun in hand Where the gun is law From Ovamboland To Nicaragua

Strength and muscle and jungle work

Three young men In a Russian truck With a little MAC-10 Sent 'em running to the huts These few young men The few who dare To battle in hell Le Mercenaire!

Strength and muscle and jungle work
