## **Sentimental Hygiene**

## **Warren Zevon**

Every day I get up in the morning and go to work
And do my job-whatever
I need some
Sentimental Hygiene
Everybody's at war these days
Let's have a mini-surrender
I need some Sentimental hygiene

Everybody's had to hurt about it No one wants to live without it It's so hard to find it Sentimental hygiene

Every night I come home exhausted From trying to get along I need some Sentimental hygiene

Some nights I drive my car Up and down the boulevard It's so hard to find it Sentimental hygiene

Everybody's had to hurt about it No one wants to live without it It's so hard to find it Sentimental hygiene

Some nights I drive my car
Up and down the boulevard
It's so hard to find it
Sentimental hygiene
Sentimental hygiene
I need some Sentimental hygiene
