

## Wanted Dead or Alive

Warren Zevon

I am wanted dead or alive  
I'm wanted everywhere  
I've got to survive  
They say I am a violent man  
Only trying to do the best I can  
Dig it?

I am wanted dead or alive  
Fifteen states I've got to survive  
I am wanted dead or alive  
I'm a new kind of man  
I've got to survive

Running a long way

I am wanted dead or alive  
I'm wanted everywhere  
I've got to survive  
Now all I'm trying to do  
Is find a peaceful place  
But they say I have an outlaw face  
My lord, I have an outlaw's face  
I have an outlaw's face  
They say I have an outlaw's face  
My, my, yes I have an outlaw's face  
I have an outlaw's face  
I have an outlaw's face  
Oh my lord, I have an outlaw's face  
Sweet God almighty, I have an outlaw's face
