Wanted Dead or Alive

Warren Zevon

I am wanted dead or alive I'm wanted everywhere I've got to survive They say I am a violent man Only trying to do the best I can Dig it?

I am wanted dead or alive Fifteen states I've got to survive I am wanted dead or alive I'm a new kind of man I've got to survive

Running a long way

I am wanted dead or alive I'm wanted everywhere I've got to survive Now all I'm trying to do Is find a peaceful place But they say I have an outlaw face My lord, I have an outlaw's face I have an outlaw's face They say I have an outlaw's face My, my, yes I have an outlaw's face I have an outlaw's face I have an outlaw's face Oh my lord, I have an outlaw's face Sweet God almighty, I have an outlaw's face
