Warrior Soul

Population psych-out someone feed em flies and death and sex to  
hide their dead world  
softly singing through memories of truth killing is our buisnie  
ss  
cash for the cruel

drugs,god and the new republic  
drugs,god and the new repiblic

boards use capital gains lie on on our goverments trust  
to pay off corporate mistakes statues of lincoln cry disciples  
eternal now I'm dead let the frequency phase out

drugs,god and the new republic
