## **Always-a Friend For Life**

Warzone

Our time has come You say you're too old to stay young Ignorant attitudes - have gotten so f\*\*ked You let life go by Cause you're afraid to die I'm doing the best I can To keep us satisfied ALWAYS - I'm there if you want ALWAYS - We won't grow apart ALWAYS - Got me by your side ALWAYS - A friend for life I don't have to worry about problems today Cause I can count on you and you won't go away Don't need to know the correct way of life We'll stand together - fight for what's right! ALWAYS - I'm there if you want ALWAYS - We won't grow apart ALWAYS - Got me by your side ALWAYS - A friend for life I don't need answers - about today Don't worry about the future - it won't go away I was there before, I'll be there again Looking out for you - until I'm dead
