

## All Over Now

Washed Out

You fade into a dream  
You're freer than you've ever been  
You float just like the wind  
Explore a life you never lived from deep within

Though you fight it off  
You know there's a moment  
When you have to give it up

It's all over now  
It's all over now  
It's all over now  
It's all over now
