

## Hard to Say Goodbye

Washed Out

You said that I was all you'd ever want  
You said that we were fine  
You swore that you would never break my heart  
You wasted all my time

It's [?] to leave and I [?]  
And now it's over

Oh, oh  
Oh, oh

You swore that we would never be apart  
You wanted this  
Even though you said you wanna go  
It's hard to say goodbye

It's all I want [?] to leave and I [?] nowhere to hide  
And now it's over

Oh, oh  
Oh, oh
