```
You said that I was all you'd ever want
You said that we were fine
You swore that you would never break my heart
You wasted all my time
It's [?] to leave and I [?]
And now it's over
Oh, oh
Oh, oh
You swore that we would never be apart
You wanted this
Even though you said you wanna go
It's hard to say goodbye
It's all I want [?] to leave and I [?] nowhere to hide
And now it's over
Oh, oh
Oh, oh
```
