Like a bird oversea

Like a bir-

I am free with my voice, and it's tone, and it's words  
The sound of my truth, blends with yours  
As it's heard, the chorus of freedom  
Each harmony swells in the hearts of the peaceful  
Freedom is singing like a bird oversea

I am free with my voice, and it's tone, and it's words  
The sound of my truth, blends with yours  
As it's heard, the chorus of freedom  
Freedom is singing like a bird oversea

The freedom is living, in you and in me  
Freedom is ringing for whom the bell tolls  
Freedom is singing  
Freedom is living  
Freedom is waking  
Freedom is me
