Wasted Penguinz

Like a bird oversea

Like a bir-

I am free with my voice, and it's tone, and it's words
The sound of my truth, blends with yours
As it's heard, the chorus of freedom
Each harmony swells in the hearts of the peaceful
Freedom is singing like a bird oversea

I am free with my voice, and it's tone, and it's words
The sound of my truth, blends with yours
As it's heard, the chorus of freedom
Freedom is singing like a bird oversea

The freedom is living, in you and in me
Freedom is ringing for whom the bell tolls
Freedom is singing
Freedom is living
Freedom is waking
Freedom is me
