

Play The Game

Wasted Penguinz

You wanna play a game (3x)

Take a walk

Faked pleasure

When nothing really matters

Restrained by the feelings

Flawless encounters

Time is running out

You just realized that it's all a big game

Waiting for the battle

Resistance is not an option

Let the game be your path

You wanna play a game

Take a walk

Faked pleasure

When nothing really matters

Restrained by the feelings

Flawless encounters

Time is running out

You wanna play a game (2x)
